If you wish to place an order, please send the form/envelope along with \$14 back to school promptly. Orders placed after the deadline will result in increased cost and may not be able to be filled! Starting Monday, March 7, and continuing through the week, we will receive your can/aluminum donations toward the new classrooms. Mark your bag with your child's grade level, please. The class weighing in with the most cans will earn a free Fab Food Item!

A&W NIGHT PROCEEDS

Thank you to everyone who has been participating in our Dine and Donate Nights at A&W. The PTL received a check in the amount of \$80.00 from your purchases on February 16th. Our next A & W Night is March 16th. See you there!

ACCEPT OR DECLINE?

Families participating in the Racine Parental Choice Program will receive letters sent by mail this week providing you the option to accept or decline your child's seat for 2022-23. Please return your letter either accepting or declining that seat as soon as possible. **We must receive a response no later than Friday, March 4th**. Some classes may have a waiting list. As such, we must offer seats that are not accepted to a family that is waiting if no response is provided. Promptly return your letter! Thank you for your prompt attention.

THE SCIENCE FAIR IS BACK!

Our Science Fair is quickly approaching. It will be held on **Tuesday, March 15**. Students in grades K to 4 will learn about the scientific method during school and will complete an experiment together as a class to practice the steps of the scientific method. Students in grade 5 will be completing a project based on their current science topic independently. Middle school students will be independently completing a project on a topic of their choosing. **An information sheet with more details was sent home with middle school last week**. All projects will be on display in the gym on the evening of March 15. **There are many books available in the school library for ideas, be sure to check them out!**

CHOICE VOUCHER AVAILABILITY
