PRAYERS APPRECIATED & CAUTION NEEDED

During arrival time yesterday one of our precious students, Mason Imhoff, was struck by a car while crossing Durand Avenue on his bicycle. This accident was no fault of Mason's. The crossing guard was in the crosswalk, utilizing his stop sign to stop traffic, when an inattentive, speeding driver drove right through. We thank God that Mason is recovering at home with no broken bones and that all scans came back normal. Please keep Mason's recovery in your prayers. Use extreme caution when you are behind the wheel – observing posted speed limits and paying full attention to the road. Your care is appreciated as are the prayers!

LOWER LEVEL & GYM FLOOR CAMPAIGNS

We are beginning to focus our efforts on finishing the lower level. This area will include the addition of four classrooms and additional restrooms. You may have also noted that the time has come to resurface our gymnasium floor. You can help! Please share any information you may have that could support funding or grants for these projects.
