### Friendzy Focus – I Get to Be Me, You Get to Be You!

The unit this month is focuses on the unique way God has made each one of us. Our hope is that by the end of the unit the students will see how He made us each *just the way we are* for a very special reason!

Scripture verse to think on and discuss:

But our bodies have many parts, and God has put each part just where he wants it. How strange a body would be if it had only one part!

1 Corinthians 12:18-19

God gifts us with bodies and minds that are uniquely designed. Our specific strengths are present to honor Him and serve others. Once we recognize the value our qualities add to life, we can celebrate these abilities and give thanks to God for them, and the gifts of others, too!

Continue the Conversation...

How does comparing and competing with others cause harm? Or help?
