IT'S ALL IN THE DETAILS!

Our discussion on thoroughness continued today. Students learned that in order to practice thoroughness it is necessary to:

- Plan our work.
- Pay attention to details.
- Make a list so we don't forget.
- Finish what we start.
- Clean up along the way.

From building a nest to keeping their babies at just the right temperature, a mother alligator has lots of details to manage when she is caring for her young. Planning and paying attending to the details are things that alligators are experts at doing.

Details are important! Taking care of the little things makes a big difference. Together we can help keep the children accountable by working on the list above!

WORSHIP WITH US!

Join friends and family from school at one of these worship services to celebrate the 17th Sunday after Pentecost.

Saturday, 9/19 @ Faith – 4 PM
Sunday, 9/20 @ Faith – 9:00 AM

OUTDOOR EDUCATION/PEACE DAY

This Friday, September 18th our PS3 – 6th and 8th grade will spend the day on the property (outside chiefly, weather permitting) and in the neighborhood immersed in activities anchored in understanding and developing peace. International Day of Peace is right around the corner on Monday!

Our 7th graders are busy at Camp LuWiSoMo enjoying their outdoor education class trip. They will be returning on Friday afternoon.

THANK YOU!!!

Thank you to all the families who participated in the 8th grade fundraiser on August 31, 2026, at Qdoba. Our 8th graders earned **\$140.64** towards their Washington DC Class Trip.

GRADEBOOK CLOSING FOR MIDTERMS

We are at the halfway point in the first quarter of our school year. **At 4:00 p.m. on Friday September 16, 2026, the gradebook will close** in preparation for midterm report release next week. Please make sure your child has submitted all assignments prior to Friday. **Midterms will be released on Wed. Sept. 23rd.**

Please note: The grades of all students will be reviewed at midterm and quarter grading periods. Students receiving an initial F or Fs, or receiving a grade point average lower than 2.0, will be placed on probation (a warning that the student must remove any F's and raise the GPA if below 2.0) until the next grade report. *While on this initial probation, that student may participate in extra-curricular activities. However, a 90-day academic probation contract will be issued which must be signed by the student, parents/guardian, teacher, and administration within 5 days.*

Any student not having a 2.0 grade point average or having any Fs on **two** consecutive grade sheets will be **declared ineligible** to participate in any extra-curricular activities until a subsequent grade sheet shows a 2.0 average and no Fs.

Please take an active role in following up on gradebook notifications regarding low or missing grades, monitoring assignment completion, study habits, and quality of work. We are here to help but rely on a partnership approach with you. Please contact your child's teacher with any questions.

WASHINGTON DC INFORMATIONAL MEETING

Eighth grade students and their parents are reminded that this meeting is coming up on **Monday, September 21 @ 5:30 p.m.** A draft of the itinerary of this spring trip will be provided along with the approximate cost.
